Flag State Inspector Requirements

All applicants seeking to perform Flag State Inspection services under the Liberian Registry shall meet the following requirements:

☐ Complete the application form.

☐ CV.

☐ Copy of Passport.

☐ Passport Photo (scanned color copy, format JPEG).

☐ Training Certificates related to MARPOL, SAFETY EQUIPMENT, SAFETY RADIO, LOADLINES and/or any other credential as surveyor, naval architect or former PSCO.

☐ Training Certificates related to ISM/ISPS/MLC and audit log for the past 4 audits of each category. For ISM, include at least one record of a Document of Compliance audit.

☐ Verification of Mariner's License/National COC (Through official letter or website).

☐ Three (3) References, including name, title (if applicable), and email.

☐ Use of a corporate domain email address for all official correspondence.

☐ A non-refundable application fee of **$500** must be paid before the review of your submission and to provide you with the examination. This fee covers two attempts to pass the exam successfully, as well as a video interview.
